- **Party Mode**

1. Make sure both two speakers are turned on.
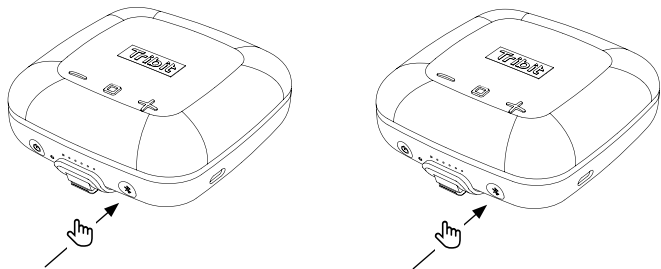

2. Press and hold the Bluetooth button of two speakers for 5s simultaneously, and re-lease the buttons after you hear a prompt sound. In this way, the speakers enter party mode.

Note: The function of party mode can be realized only when you have 2 Tribit Stormbox Micro speakers.

- **Stereo Mode**

1. Make sure both two speakers have entered party mode.
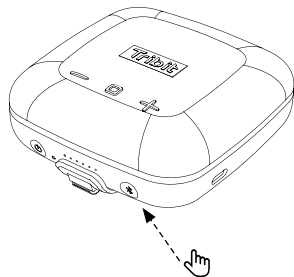

2. Short press the Bluetooth button on any of the two speakers.
3. Release the buttons when you hear the voice of Stereo Mode. One speaker will sound "Left" and the other will sound "Right", and then the stereo mode is activated.

Note: The function of stereo mode can be realized only when you have 2 Tribit Stormbox Micro speakers.

- **Conversion between Party Mode and Stereo Mode**

Short press the Bluetooth button on any of the two speakers.

- **Disable the Party Mode or Stereo Mode**

Press and hold the Bluetooth button for 5s on any of the two speakers, then both will re-enter Bluetooth pairing mode.
