**USE YOUR HEADPHONES**

1. For the best sound and comfort, the right fit is very important. Please adjust your headband to make sure the headphones fit snugly and securely.
2. Place your headphones on corresponding ear side ("R" on right ear and "L" on left ear).
3. To ensure your headphones stay in place, make sure the cord is placed in front of our head and body.

**PROTECTING YOUR HEADPHONES**

1. Use a soft cloth to clean headphones-DO NOT use any liquid.
2. Keep your headphones clean and free of debris
3. DO NOT tug on the cable to disconnect the plug from your device, instead pull from the plug to disconnect.
4. DO NOT wrap headphone around a device while it is still plugged in as it puts unnecessary pressure on the plug/ cord connection.

**WARNING**

1. DO NOT insert plug into electric sockets.
2. Listening to headphones at high volume levels, particularly over extended periods of time, may damage your hearing.
3. If you have a pacemaker or other electrical medical devices, you should consult your physician before using this product.
4. The operation of switching on your Hi-Fi system or plugging in the headphones may cause clicks which at high volume setting may affect your hearing. Therefore, always set the volume control to minimum before switching between different sources ( tuner, turntable, CD player, etc.) or plugging in the headphones.
5. DO NOT use headphones while driving or cycling
6. Supervise children when using equipment. This product is not a toy.
7. The small parts included with this product can be a choking hazard. This product is not intended for use by small children and should be kept away from children under 3 years of age.
