Alto 6+

## Key Features:

|                         |                          |
|-------------------------|--------------------------|
| Roku TV Ready           |                          |
| Wireless Subwoofer      | Maximum Audio Power 240W |
| Dolby Audio             | HDMI with ARC            |
| Stream Music Wirelessly | Wall-Mountable           |

## Stunning Sound. Made Simple.

The TCL Alto 6+ sound bar is the perfect way to immerse yourself in your favorite entertainment with bigger, clearer sound. It's Roku TV Ready and designed to work seamlessly with your TCL Roku TV, so you'll enjoy smooth setup, easy access to sound settings, and compatibility with your TCL Roku TV remote. Dolby Digital decoding maximizes sound clarity and creates incredible room-filling virtual surround sound.

Experience deep, rich bass with the wireless subwoofer to make movies and music truly come to life. Stream all your favorite music and podcasts from apps like Pandora, Spotify, TuneIn, and more, wirelessly from your smartphone, tablet, or laptop with Bluetooth® wireless technology.

Alto 6+ lets you enjoy your favorite entertainment even more with three specialized sound modes for Movies, Music, and TV. The Movie mode lets you hear the dialogue with precise clarity and feel the impact of punches or explosions in intense action scenes. Music mode enables you to hear instruments, vocals, and bass with pristine accuracy. Finally, TV mode isolates ambient sound from speech, enabling you to focus on content without getting distracted by background noise.

### Product Highlights

Enhances your TV viewing experience with louder, clearer audio.

Optimized for Roku TV for simple set up and control.

You can use your Bluetooth-enabled device to wirelessly stream music on your sound bar.

With HDMI, optical, or Bluetooth®, you can go from unboxing to listening in minutes.

Specialized sound modes bring Movies, Music, and TV to life.
