Speaker driver unit	12mm
Fast charging time	10min
Play time	12h

Life's too short for "ok". Too short to have stuff in our lives that's "ok, I guess". "But-I'm-almost-home!" battery life. "But-it-only-fell-off-the-table" build quality. "Has-someone-stolen-the-bass?" sound quality. We say NO to "ok". In 2021, we set out to make stuff that's better in little ways that make a big difference. Stuff for people who expect more. Who want the songs to keep playing until they're home. Who are on a mission to stay up all night. Who want to know they'll feel great and look awesome, every day. For people who want every day to be a 'WoW' day.

HOW TO USE

Answer call End call Reject call	When call is coming, will have ring on the neckband, and can answer call on the neckband by pressing the calling button End call: Press the calling button when call is over Reject call: Long press the calling button when call is coming
