Power On & Pairing
1. Power On the soundbar by sliding the Power key towards the right side. You can see Blue LED light will start blinking.
2. Open the Bluetooth function on your Device and Search for the Available Bluetooth device.
3. Click on "pTron BT Speaker" to connect.

Power Off
Power Off the soundbar by sliding the Power key towards the left side.

Bluetooth Connectivity - Automatic
Just Turn On the soundbar. It will Automatically Connect to the Last Connected Device.
Note: The last connected device must be turned on, Bluetooth function must be active and both the devices must within 10 meters wireless range.

Modes - There are 5 modes in the soundbar
1. Bluetooth mode
2. Play by TF card
3. Play by USB Drive
4. AUX Mode
5. TWS Mode.
Note:
1. TF card mode will be active only when a TF card is inside the TF card port.
2. USB Drive mode will be active only when a USB drive is inserted.

Aux Function
1. Just turn ON the soundbar.
2. By default Bluetooth mode will open.
3. Connect the Aux cable with the soundbar & the phone.
4. As you will connect the Aux cable, soundbar will prompt 'Aux mode'.
5. Now, you can use this function.

TWS Function (Pairing 2 Musicbot Evo Soundbars together)
1. Just turn on both the soundbars.
2. By default Bluetooth mode will open in both the soundbars.
3. Now, press the Play/Pause button twice on both the soundbars to activate TWS mode.
4. Now, both the soundbars will get connected to each other wirelessly.
NOTE:
1. Need to keep both the soundbars closer for pairing.
2.This function can be used also when a soundbar is connected to any device in Bluetooth mode. At that time also we can connect 2 soundbars. There is no need to power off or to unpair or disconnect.
